Dear Ms. Barsh:

The Department of Regulatory and Economic Resources-Division of Environmental Resources Management (DERM) is requesting that the environmental site assessment report for the subject site be submitted as agreed upon during the June 3, 2019 meeting. During that meeting, you presented soil and groundwater data your client had obtained during a recent supplemental site investigation and it was agreed that the report would need to be submitted to evaluate any additional action warranted by the data.

Please submit the referenced environmental investigation report within fifteen (15) days upon receipt of this letter.

If you have any questions concerning the above, please contact Thomas Kux, P.G., (kuxt@miamidade.gov) of DERM at (305) 372-6700.

Sincerely,
